**Everything is as it should be**

(call and response)  
everything is as it should be  
all that is and ever was  
all that needs to shall come to be  
find peace in love and harming none

oh god and goddess keep me  
hold me close and from harm's way  
oh spirit bless and guide me  
all creation shows the way

all that's holy lives within you  
as below so is above  
the voice of spirit whispers to you  
walk in truth and live in love

oh god and goddess keep you  
hold you close and from harm's way  
oh spirit bless and guide you  
all creation shows the way

we must accept our joys and sorrows  
there's strength for us in shade and light  
the power of life is this cycle  
as the day fades into night

oh god and goddess keep us  
hold us close and from harm's way  
oh spirit bless and guide us  
all creation shows the way

**Love is (by Stephen Samuels)**

love is where we come from  
love is where we all come from  
every living one my friend  
goes falling into love in the end  
and i need your love  
yes i truly need your love  
to bring me home again  
just to bring me home again

... and more / y mas:

We are a circle within a circle with no beginning and never ending

Somos un circulo, dentro de un circulo, sin principio, y sin final

Wir sind ein Kreis in einem Kreis ohne Anfang und ohne Ende.

Fly like an Eagle, fly so high  
Around the universe, with wings of light  
Hey witchy chayo, Ohe Hayo  
Hey witchy chayo, with wings of light

Volaremos como águilas, volando tan alto  
Alrededor del universo, con alas de luz  
Hey witchy chayo, Ohe Hayo  
Hey witchy chayo, con alas de luz

The river is flowing, flowing and growing  
The river is flowing back to the sea  
Mother Earth carry me, your child I will always be  
Mother Earth carry me, back to the sea

El río está fluyendo, fluyendo y creciendo  
el río está fluyendo, de vuelta al mar  
Madre Tierra llévame, tu hij@ siempre seré  
Madre Tierra llévame, de vuelta al mar  
(Río, río , el río de la vida  
siempre está creciendo, siempre está fluyendo)
